New Products

Mr Clear Anti-Fog Cleaning Solution

Convenient 6ml Anti-Fog solution which eliminates condensation at the distal end of rigid endoscopes/telescopes. Non-abrasive sponge allows for effective cleaning without distal lens damage.

\$15

Electro Lube Electrocautery Lubricant

Easy to use electrocautery lubricant. Reduces charring and tissues sticking to cautery tip while maximising conductivity performance when cutting and coagulating. Gives cleaner seals and reduces procedure time. Simply apply Electro Lube to foam pad and thinly coat electrode.
