Freight Terms and Conditions

- All freight collected by Austvet Endoscopy's nominated couriers for repair is covered by our insurance for any loss or damage whilst in transit. Your invoice for repaired equipment will also include a separate charge for freight fees.
- The customer accepts full responsibility for any loss or damage to goods collected and sent for repair by their own courier.
- As veterinary Endoscopy equipment is fragile, you agree to ensure that any repairs are packed appropriately before sending goods in for service.
