TOHAMED Disposable Skin Stapler & Staple Remover

Disposable Skin Stapler

The TOHAMED disposable skin stapler provides perfect skin closure by closing wounds gently and securely. An easy to use stapler featuring an ergonomically designed handle ensures a reliable surgical device. Sterile packed and ready to use with 35 pre-assembled specially polished staples. German made quality.

\$14

Staple Remover

The TOHAMED staple remover is perfectly aligned to the skin stapler. Made of stainless steel, it is fully autoclavable up to one hundred times.
